## SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the academy regardless of form of payment, cash pay, or Title IV HEA Program funds. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

### EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Course	Clocked (actual) Hours
Barbering	450, 900
Supplemental Barbering	75
Cosmetology	450, 900, 1200
Esthetics	325
Manicuring	200
Massage	350
Microdermabrasion	25
Teacher Training	325

Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course or academic year, whichever occurs sooner. All periods of enrollment are included in the SAP calculation for Title IV eligibility and otherwise.

### ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 85% of the hours possible based on the applicable attendance schedule, to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. Student schedules are built into the system when the student is enrolled. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, Montana Academy will determine if the student has maintained at least 85% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

## MAXIMUM TIME FRAME

The maximum time (which does not exceed 118% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Maximum Time Frame Allowed						
Course	FT/PT	Hrs./Wk.	Course Hrs. /Wks.	Weeks	Hours	Weeks beyond contract
<b>Barbering</b>	FT	34.5	1100/32	38	1294	6
<b>Supplemental Barbering</b>	FT	34.5	150/5	5.5	177	1
<b>Cosmetology</b>	FT	34.5	1500/44	52	1765	8
<b>Esthetics</b>	FT	34.5	650/19	22.5	765	3.5
<b>Manicuring</b>	FT	34.5	400/12	14	471	2
<b>Massage Therapy</b>	FT	34.5	700/21	25	824	4
<b>Microdermabrasion</b>	FT	50.0	50/1.5	2	59	1.5
<b>Teacher Training</b>	FT	40.0	650/17	20	765	3

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 85% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

All courses offered by the institution are clock hour programs and all students attend on a continuous basis. Therefore, we do not offer term or credit hour-based programs. Enrollment is based on one period of continuous enrollment which counts towards satisfactory academic progress and maximum time-frame, including any time in that period where a student would not receive Title IV, HEA program funds. The period of enrollment includes, fall, winter, spring, and summer, as applicable to the student's enrollment agreement.

## ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Montana Academy. Students must maintain a written grade average of 85% on a cumulative basis and take a final written and practical exam prior to graduation. Students must make up missed tests and incomplete assignments. The following grade scale is utilized for theory and practical skill evaluation which utilizes a 100-point grading scale:

A	95 – 100%	Excellent
B	90 – 94.9%	Very Good
C	85 – 89.9%	Satisfactory
F	84.9% and Below	Unsatisfactory

## **DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making SAP until the next scheduled evaluation. Students will review their SAP determination at the time of each of the evaluations. They may request a hard copy. Students deemed not maintaining SAP may have their Title IV Funding interrupted, unless the student is on financial aid warning or has prevailed upon appeal resulting in a status of financial aid probation.

## **FINANCIAL AID WARNING**

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making SAP while during the warning period. The student will be advised in writing on the actions required to attain SAP by the next evaluation. If, at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

## **FINANCIAL AID PROBATION**

Students who fail to meet minimum requirements for attendance or academic progress, at the next checkpoint after the warning period will be placed on financial aid probation and considered to be making SAP during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the SAP Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making SAP. The student will be advised in writing of the actions required to attain SAP by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for SAP or by the academic plan, he/she will be determined as NOT making SAP and, if applicable, students will not be deemed eligible to receive Title IV funds. Students who are not eligible to receive Title IV funds, can remain enrolled only by cash paying.

## **RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS OF FINANCIAL AID**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the financial aid warning or probationary period, at the next scheduled evaluation. Students can make up hours during course times the student is not normally scheduled for attendance on Friday or Saturday, as applicable to their schedule.

## **INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to academy in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. If a student is considering pursuit of a second program, they must graduate or withdraw from the current program. If a student decides to switch a program, the current SAP will start over with the new program. The old program SAP will no longer apply.

## **APPEAL PROCEDURE**

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within five (5) calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the academy on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within five (5) days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed, and federal financial aid will be reinstated, if applicable.

## **NONCREDIT, REMEDIAL COURSES, REPETITIONS**

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the academy's satisfactory academic progress standards.

## **TRANSFER HOURS**

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

- **End of SAP Policy** -

## TRANSCRIPTS AFTER GRADUATION

## LEAVE OF ABSENCE (LOA) POLICY

An authorized Leave of Absence (LOA) is a temporary interruption in the student's course of study. The LOA refers to a specific period of time in which a student is not in attendance. A LOA is not required if a student is not in attendance for an institutionally scheduled break. However, a scheduled break may occur during an LOA. A student who must take an approved Leave of Absence (LOA) will return in the same satisfactory academic progress status as at time of taking the LOA.

A student may be granted a LOA when there is a reasonable expectation that the student will be returning. The LOA must be requested and approved in writing, and include the student's signature, prior to LOA occurring, unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and need a few weeks to recover before returning to the Academy, the student would not have been able to request the LOA in advance. The Montana Academy may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the Academy documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the Academy to be the first date the student was unable to attend the Academy because of the accident.

In addition, the student is required to list the reason for the LOA on the form provided by the Academy. Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it via mail or in person within a reasonable resolution of the emergency to Montana Academy.

A student may be granted a LOA for any of the following reasons:

1. Medical Issues
2. Military Requirements
3. Jury Duty
4. Mitigating Circumstances beyond the Student's Control
5. Montana Academy Faculty recommendation
6. Financial Hardship

A student granted a LOA that meets the criteria is not considered to have withdrawn, and no refund calculation is required at that time. The institution will not assess the student any additional institutional charges as a result of the LOA. Title IV loans will not be disbursed during the LOA.

The maximum time frame for a LOA is 180 calendar days and the minimum is 5 calendar days. Montana Academy of Salons permits more than one LOA provided the total number of days of all LOA does not exceed 180 calendar days within a 12-month period.

On the day, the student returns from the LOA the student is required to inform the office of the return and verify the information on the LOA Request Form & Enrollment Agreement Addendum or initial the correction on the contract. The student's contract and maximum time frame will be extended for the same number of days the student was on LOA without any penalty to the student.

If the student does not return from the LOA on the date scheduled to return, the student will be withdrawn from Montana Academy of Salons. The student's loans will go into repayment after 180 days from the last date of attendance.

Student without an approved LOA will be considered withdrawn after 14 consecutive calendar days without notifying the Academy. The last date of attendance will be utilized for the purposes of calculating a refund.

## DISCLOSURES

Please see the Montana Code Annotated, Chapter 1 General Provisions, Part 2 Licensure of Criminal Offenders, Part 3 Uniform Professional Licensing and Regulation Procedures (Unprofessional Conduct) for reasons why an individual may not be permitted to be licensed as a Barbering, Cosmetologist, Esthetician, Manicuring, or Facilitator and therefore gainful employment in their chosen profession.

Additionally, please review the Montana State Board of Massage Therapy; Department and Board Statutes as it applies to “Non-routine Applicants” for reasons that may preclude an individual from being a gainfully employed licensed massage therapist.

## REFUND POLICY

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or academy closure. Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

1. An applicant is not accepted by the academy. The applicant shall be entitled to a refund of all monies paid.
2. A student (or legal guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the academy shall be refunded, regardless of whether or not the student has actually started classes.
3. A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases, he/she shall be entitled to a refund of all monies paid to the academy less the registration fee in the amount of \$200.
4. A student notifies the institution of his/her withdrawal in writing.
5. A student on an approved leave of absence notifies the academy that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
6. A student is expelled by the academy. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 calendar days.)

7. In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the academy administrator or owner in person.
8. For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the academy applies. All refunds are based on scheduled hours.

<b>PERCENT OF SCHEDULED TIME ENROLLED TO TOTAL COURSE/PROGRAM</b>	<b>TOTAL TUITION ACADEMY SHALL RECEIVE/RETAIN</b>
0.01% to 04.9%	20%
5% to 09.9%	30%
10% to 14.9%	40%
15% to 24.9%	45%
25% to 49.9%	70%
50% and over	100%

- + All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, and instruction has begun, the academy will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, and before instruction in the program has begun, the academy will either provide a full refund of all monies paid or completion of the course. If the course is cancelled after students have enrolled and instruction has begun, the academy shall provide a pro rata refund for all students transferring to another academy based on the hours accepted by the receiving academy OR provide completion of the course OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.
- + Students who withdraw or terminate prior to course completion are charged a termination fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, kit and books, products, unreturned academy property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in this catalog and in the student's enrollment agreement.
- + If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of Title IV funds will be completed and any applicable returns by the academy shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the academy and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.
- + Veterans Only. The Amount charged to the Student for tuition, fees and other charges when only a portion of a course is completed shall not exceed the approximate pro rate portion of the total charges for tuition, fees and other charges that the length of the completed portion of the course

bears to its total length. Refunds will be made within 30 days after the last class attended, or the effective date of the withdrawal or termination. This policy is in compliance with the requirements of Title 38 CFR 21.4255.

### **DETERMINATION DATE/WITHDRAWAL DATE (OFFICIAL/UNOFFICIAL WITHDRAWAL):**

The last date of attendance is the last day the student was physically in attendance at Montana Academy. A withdrawal determination date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify Montana Academy's administrative office of their intention to withdraw from Montana Academy. An active student is considered unofficially withdrawn when they have been absent for 14 calendar days from their last date of physical attendance without notifying Montana Academy's administrative office.

### **RETURN OF TITLE IV FUNDS POLICY**

The law specifies how the Academy must determine the amount of Title IV program assistance that you earn if you withdraw from Montana Academy. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your academy or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the academy and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your academy must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your academy may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the academy). The academy needs your permission to use the Post-withdrawal grant disbursement for all other academy charges. If you do not give your permission (some academies ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the academy to keep the funds to reduce your debt at the academy.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct loan funds that you would have received had you remained enrolled past the 30th day. If you receive (or your academy or parent receive on your behalf) excess

Title IV program funds that must be returned, your academy must return a portion of the excess equal to the lesser of: your institutional charges multiplied by the unearned percentage of your funds, or the entire amount of excess funds. The academy must return this amount even if it didn't keep this amount of your Title IV program funds. If your academy is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your academy or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your academy may have. Therefore, you may still owe funds to the academy to cover unpaid institutional charges. Your academy may also charge you for any Title IV program funds that the academy was required to return.

### **RETURN OF TITLE IV FUNDS BY MONTANA ACADEMY**

Montana Academy must return the unearned aid for which Montana Academy is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

### **TITLE IV PROGRAMS**

1. Unsubsidized /Direct Stafford Loan
2. Subsidized /Direct Stafford Loan
3. Parent Plus Pell Grant

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at: [studentloans.gov](http://studentloans.gov).

By applying for a Direct Loan, a borrower authorizes Montana Academy to pay directly to the Secretary that portion of a refund or return to title IV, HEA program funds from the academy that is allocable to the loan.

## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY

The family educational rights and privacy act (FERPA) afford eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution. In addition, parents or guardian of dependent minors may have access.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Montana Academy receives a request for access. A student should submit to the FAO, a written request that identifies the record(s) the student wishes to inspect. The FAO will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask Montana Academy to amend a record should write the FAO responsibly for the record, clearly identify the part of the record the student wants changed and specify why it should be changed.

If Montana Academy decides not to amend the record as requested, Montana Academy will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Montana Academy discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Montana Academy discloses education records without a student's prior written consent under the FERPA exception for disclosure to academy officials with legitimate educational interests. An academy official is a person employed by Montana Academy in an administrative, supervisory, academic, research, or support staff position, such as a disciplinary or grievance committee. An academy official also may include a volunteer or contractor outside of Montana Academy who performs an institutional service of function for which Montana Academy would otherwise use its own employees and who is under the direct control of Montana Academy with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another academy official in performing his or her tasks. A academy official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Montana Academy.

Upon request, Montana Academy also discloses education records without consent to officials of another academy in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Montana Academy to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office | U.S. Department of Education | 400 Maryland Avenue, SW  
Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to academy officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student

- + To other academy officials, including teachers, within Montana Academy whom Montana Academy has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom Montana Academy has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.
- + To officials of another academy where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34
- + To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising Montana Academy's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are

designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.

- + In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.
- + To organizations conducting studies for, or on behalf of, Montana Academy, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.

- + Information Montana Academy has designated as “directory information” under §99.37.
- + To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding.
- + To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if Montana Academy determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of Montana Academy’s rules or policies with respect to the allegation made against him or her.

Most salon industry professionals may be on their feet for long periods of time. There are physical demands placed upon the body during both class and as an employee in the industry, including but not limited to, standing for long periods of time, bending over, lengthy time allowances for services, lifting heavy objects, dexterity, exposure to heat and chemicals, possible cuts resulting from a haircutting service, and prolonged exposure to some chemicals may cause irritation so protective clothing, facemasks, and gloves should be worn.

To continue your enrollment at Montana Academy, you must abide by the attendance policy that corresponds with the course in which you are enrolled.

Students who go over their contracted graduation date and need additional time to complete their course will be charged an hourly fee until the student completes the required hours from the course.

Students must attend at least 85% of their schedules hours to meet the maximum time frame.

**TARDY:** Defined as delaying or delayed beyond the right or expected time.

The following is considered a Tardy:

**ABSENCE:** Defined as the state of being away from a place.

Montana Academy strongly recommends that no student be absent while attending foundations in any course. It becomes a hardship for the student and Montana Academy to makeup theory and practical instruction. Course lesson plans are taught on a rotating schedule and are not repeated until weeks later. An absence is when the student was not in attendance during the am and or pm scheduled shift.

## **NO CALL, NO SHOW**

## **MANDATORY: (REQUIRED AS RULES) FRIDAY AND SATURDAY**

RTO is "requested time off" in advance (minimum seven (7) days prior to the RTO) for the upcoming absence. The RTO will be considered if the student is currently making SAP in grades and attendance. No RTO's are offered in foundations.

Exception to the 7-day requirement would be:

- + If you are involved with law enforcement. (To be excused you must provide a copy of the police report)
- + If a student is unable to attend due to inclement weather, an excused absence will be considered
- + Serious illness of self or family member
- + Submitting an RTO one day prior to the funeral
- + Incarceration

RTO are available for mornings, afternoons and all day. See Requested Time Off Form available from facilitators.

The students will receive an "Over Contract Charges Acknowledgment" form that details:

The student's monthly scheduled hours  
The student's monthly actual attended hours  
The student's monthly tardies  
The student's cumulative hours  
Over contract fees, if applicable

Students will be coached by a facilitator as to the importance of attendance both in academy and for their future workplace. Students have the opportunity to make up time according to the Make Up Policy.

## **MAKE UP POLICY**

The "make up policy" affords student the opportunity to make up assignments and tests that they have missed. Students who missed a test due to an absence must make up the test on the first day returning to Montana Academy, to receive credit for the test. The student is responsible to make arrangements with the facilitator to schedule a time to make up the test. Missed tests will be posted as a ZERO until the time that they are made up. Missed and failed tests will adversely affect the student's Grade Point Average (GPA) and Satisfactory Academic Progress (SAP).

Students are made aware at the time of their contract signing that over contract fees will be charged for hours exceeding their calculated completion date. Students are provided with "SmartFlex", a student portal, which allows students the ability to monitor their hourly attendance. Students have a monthly, "one on one" evaluation with a team facilitator throughout their training and are made aware of their hourly attendance.

Students may come in during their unscheduled day of the week to make up missed hours. Montana Academy strongly recommends students making up missed hours as to prevent over contract fees. A student must get permission from a facilitator to make up hours because all students must be supervised always. Facilitators will work with a student to make a plan of action that the student can commit to. Students will not be allowed to self-study without the supervision of a facilitator. A student may watch an instructional video with the supervision of a facilitator. This is not used as a replacement for class. The student/facilitator ratio will be upheld according to Montana State Laws. Students who schedule a makeup day, are required to attend without tardies, or absences. This is a privilege and anyone who is tardy or absent may not be allowed to continue making up missed days. Opportunities to gain or make up hours are as follows:

- + **Student Clinic Area:** If a station is available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- + **Manicure or Pedicure Clinic Area:** If a table or pedicure station is available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- + **Esthetic or Massage Clinic Area:** If a treatment table is available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- + **Dispensary and Laundry Clinic Area:** If there are no stations, tables and rooms available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- + **Classroom:** Must be approved by the lead facilitator and the facilitator teaching the class.

## TERMINATION POLICY

## GRADING PROCEDURES

The following grade scale is utilized for theory and practical skill evaluation which utilizes a 100-point grading scale:

A	95 – 100%	Excellent

A zero will be given in each step for refusal of a guest, service or sanitation. When a student is struggling in one or more areas of study or skill level, the facilitator will advise the

student on how the incomplete skill can be successfully completed. 50% and below warrants the student returning to theory and removed from the Student Clinic Area.

10 steps completed	100%	9 steps completed	90%	8 steps completed	80%
7 steps completed	70%	6 steps completed	60%	5 steps completed	50%
4 steps completed	40%	3 steps completed	30%	2 steps completed	20%
1 step completed	10%	0 steps completed	0%		

### **COMPLETED**

Students may receive a “Y” for completed, from a facilitator, when the student has completed a practical skill successfully.

### **NOT COMPLETED**

Students may receive an, “N” for not completed, from a facilitator, when the student is attempting to learn a practical skill but needs additional time or practice to complete the work.

### **INADEQUATE GRADES**

### **CONDUCT**

All parts of Montana Academy of Salons should be viewed as a learning institution; the front desk is a teaching tool and a sales desk and should not be used to gather around. Out of respect for fellow students and their guests, students should not gather around student stations while they are working with a guest. Facilitators are an important tool for Montana Academy; Facilitators will assist and supervise each step of services provided. Swearing, inappropriate language, and/or degrading the academy or its staff will not be tolerated at Montana Academy of Salons and is cause for immediate termination.

## **CAMPUS SECURITY ACT INFORMATION DISCLOSURE**

Montana Academy of Salons is committed to providing safety to all of its students and employees. If a crime happens to the student or the student's property or if there is an emergency occurring on campus, students, employees and/or guests are encouraged report the incident to the Chief Executive Officer or a Campus Security Authority immediately. That individual will assist the student, employee or guest in reporting the crime to the local police or other appropriate security force.

Montana Academy of Salons will provide students and employees with a copy of this Annual Security Report by October 1st of each year. Crime statistics will be gathered from the local police and compiled in this Annual Security Report. The report will show the number of incidents on campus, including Montana Academy parking lot and adjacent streets. At any time, crime statistics information can be obtained from Montana Academy Admissions Office.

Although Montana Academy does not employ security Officers, Montana Academy of Salons has a working relationship with the local police who are able to support and provide services promptly in the event of an incident. We encourage accurate and prompt reporting of all crimes to the local police. When a victim of crime elects to or is unable to make such a report, Montana Academy will accept reportable incidents from the closest source of the victim. Montana Academy does not have a working relationship with the State Authorities, it is unlikely they would get involved with this campus. The State Authorities has referred us to the local authorities for support.

## **PREPARATION OF DISCLOSURE OF CRIME STATISTICS**

Linda McPherson, Chief Executive Officer (CEO) of the Montana Academy of Salons, prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act) as amended by the Violence Against Women Reauthorization Act of 2013. This report is prepared in cooperation with the local law enforcement agencies surrounding our main campus. Each year prior to October, the CEO emails the local law enforcement and requests verified crimes. The email then is looked over and crimes verified by the geography, and in-house crimes, complaints, etc. The CEO gathers the information and all crime statistics are put together and assemble for the ASR. The full text of this report can be located on our web site at <http://www.montanAAcademy.edu>.

Campus crime, arrest and referral statistics include those reported to the Great Falls Police Department and Campus Security Authorities. Montana Academy does not have campus housing, campus police or a security department for daily crimes. Montana Academy refers all campus crime(s) to the Great Falls Police Department. In addition, Montana Academy does not keep a fire log.

Each year, an e-mail notification is made to all enrolled students that provides the web site to access this report. Employees receive similar notification at our faculty meetings and Professional Development. All employees and potential students may obtain copies of the report online at [montanabeautyacademy.com](http://montanabeautyacademy.com) or by contacting the Montana Academy of Salons, 501 2nd ST S, Great Falls, MT 59405 in the Admissions Office or by calling (406) 771-8872 x 5.

## **CAMPUS SECURITY OF AND ACCESS TO CAMPUS FACILITIES POLICY**

The front entrance (south side) is monitored by the front desk staff when Montana Academy is open for business. The north side and west side entrance/exit remained locked at all times. These doors are unable to be opened from the outside but can be opened at any time from the inside. All employees have keys to all outside doors. Students only have access to enter the building by the south door.

The CEO and staff administer the maintenance of the campus facilities by doing a “walk about”. The CEO oversees the property and equipment maintenance. Such maintenance consists of security cameras, overhead lighting, and station repairs. When the CEO is not available, the staff will “walk about” and determine if such maintenance is warranted.

## **CRIMINAL ACTIVITY OFF CAMPUS POLICY**

The Montana Academy of Salons does not recognize student organizations. We do not provide law enforcement services or monitor criminal activity to off-campus properties. This policy statement applies to whether or not criminal activity is monitored at off campus locations.

## **EMERGENCY RESPONSE AND EVACUATION PROCEDURES**

### **TIMELY WARNING**

At least annually, scheduled drills such as evacuation tests, are designed for assessment and evaluation of the emergency plans and capabilities. During student training, the employee(s) will conduct announced or unannounced drills. Drills are documented by dates, times, and whether the exercise was announced or unannounced. The results of the emergency and evacuation exercise are publicized in the Emergency & Safety Book and the results are either posted in the Student Lounge

### DETERMINING NEED

The Congressional Methodology (CM) Formula is approved by the U.S. Department of Education. This academy uses it to compute the ability of the family to contribute to the cost of the student's training. The expected family contribution (EFC) is subtracted from the cost of education to establish the student's need. The academy awards Financial Aid to cover as much of the student need as possible.

**Formula: Cost of Attendance – (minus) Expected Family Contribution (EFC) = Financial Need**

### Procedures, Forms, and Disbursements

During a Financial Aid Interview, prospective students will complete a Free Application for Federal Student Aid (FAFSA) on the web and provide necessary documentation. Based on the information provided on the application the Financial Aid officer will determine the students'

need for Title IV Financial Aid assistance. The applicant will then complete the applications which apply, according to individual's preference and eligibility.

### **TITLE IV APPLICATIONS USED BY THIS INSTITUTION ARE AS FOLLOWS:**

Free Application for Federal Student Aid (FAFSA)

NACCAS' graduation, placement and licensure definitions are provided below:

- + **Graduation Rate:** based on all students scheduled to graduate from their program. Of those students scheduled to graduate, the percentage that actually graduated before November 30.

- + **Graduate:** A student who has completed all applicable academic and non-academic requirements, as defined by the institution's graduation policy.

### INTERNAL GRIEVANCE (COMPLAINT) PROCEDURE POLICY

Montana Academy of Salons maintains an "open door" policy allowing students or other interested parties the opportunity to discuss any issue's necessary. Most of these issues can be resolved at Montana Academy level. Montana Academy will receive and process complaints that state facts that reasonably suggest that Montana Academy may not be in compliance with the Federal, State, or NACCAS standards and criteria. Montana Academy makes available to all prospective and enrolled students an Internal Grievance Procedure Policy with which Montana Academy is required to comply with for students should they have the desire to register a complaint at any time.

Montana Academy will make every attempt to resolve any student complaint. Complaint procedures will also be included in new student orientation thereby assuring that all students know the steps to

follow should they desire to register a complaint at any time. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 5 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the CEO of Academy.
3. The complaint will be reviewed by administration and a response will be sent in writing to the student within 10 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
