SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Course	Clocked (actual) Hours
Barbering	450, 900, 1200
Supplemental Barbering	75
Cosmetology	450, 900, 1350, 1800
Esthetics	325
Manicuring	200
Massage	350
Microdermabrasion	25
Teacher Training	325

Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for SAP. The frequency of evaluations ensures that students have at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 85% of the hours possible based on the applicable attendance schedule, in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. Student schedules are built into the system when the student is enrolled. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, Montana Academy will determine if the student has maintained at least 85% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 118% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course	FT/PT	Hrs./Wk.	Course Hrs. /Wks.	Maximum Time Frame Allowed		
				Weeks	Hours	Weeks beyond contract
Barbering	FT	34.5	1500/44	52	1765	8
Supplemental Barbering	FT	34.5	150/5	5.5	177	1
	PT	12.5	150/12	14	177	2
Cosmetology	FT	34.5	2000/59	70	2353	11
Esthetics	FT	34.5	650/19	38	765	3.5
Manicuring	FT	34.5	400/12	14	471	2
Massage Therapy	FT	34.5	700/21	25	824	4
Microdermabrasion	PT	50.0	50/1	1	59	1
Teacher Training	FT	40	650/17	20	765	3

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 85% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Montana Academy. Students must maintain a written grade average of 85% and pass a final written and practical exam prior to graduation. Students must make up missed tests and incomplete assignments. The following grade scale is utilized for theory and practical skill evaluation which utilizes a 100-point grading scale:

A	95 – 100%	Excellent
B	90 – 94.9%	Very Good
C	85 – 89.9%	Satisfactory
F	84.9% and Below	Unsatisfactory

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making SAP until the next scheduled evaluation. Students will review their SAP determination at the time of each of the evaluations. They may request a hard copy. Students deemed not maintaining SAP may have their Title IV Funding interrupted, unless the student is on financial aid warning or has prevailed upon appeal resulting in a status of financial aid probation.

FINANCIAL AID WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making SAP while during the warning period. The student will be advised in writing on the actions required to attain SAP by the next evaluation. If, at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

FINANCIAL AID PROBATION

Students who fail to meet minimum requirements for attendance or academic progress, at the next checkpoint after the warning period will be placed on financial aid probation and considered to be making SAP during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the SAP Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making SAP. The student will be advised in writing of the actions required to attain SAP by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for SAP or by the academic plan, he/she will be determined as NOT making SAP and, if applicable, students will not be deemed eligible to receive Title IV funds. Students who are not eligible to receive Title IV funds, can remain enrolled only by cash paying. The cash paying student must be eligible to graduate within the maximum time frame.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS OF FINANCIAL AID

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the financial aid warning or probationary period, at the next scheduled evaluation.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within five (5) calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within five (5) days. The appeal and decision documents will be retained in

the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

OVER CONTRACT FEES AND EXTRA CHARGES

School will charge additional tuition for hours remaining after the calculated completion date as stated on the enrollment contract at the below rates per hour, or any part thereof, payable in advance until graduation.

LEAVE OF ABSENCE (LOA) POLICY

An authorized Leave of Absence (LOA) is a temporary interruption in the student's course of study. The LOA refers to a specific period of time in which a student is not in attendance. An LOA is not required if a student is not in attendance for an institutionally scheduled break. However; a scheduled break may occur during an LOA. A student who must take an approved Leave of Absence (LOA) will return in the same satisfactory academic progress status as at time of taking the LOA.

The LOA must be requested and approved in writing prior to LOA occurring, unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and need a few weeks to recover before returning to the Academy, the student would not have been able to request the LOA in advance. The Montana Academy may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the Academy documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date

of the approved LOA would be determined by the Academy to be the first date the student was unable to attend the Academy because of the accident.

In addition, the student is required to list the reason for the LOA as well as provide supporting documentation. Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it via mail or in person within a reasonable resolution of the emergency to Montana Academy.

A student may be granted a LOA for any of the following reasons:

1. Medical Issues
2. Military Requirements
3. Jury Duty
4. Mitigating Circumstances beyond the Student's Control
5. Montana Academy Faculty recommendation
6. Financial Hardship

The student must follow Montana Academy's Leave of Absence Policy when requesting an LOA and get an approval of the request for a LOA. There must be reasonable expectations that the student will return from the LOA. The institution will not assess the student any additional institutional charges as a result of the LOA. A student granted an LOA that meets the criteria is not considered to have withdrawn, and no refund calculation is required at that time. Title IV loans will not be disbursed during the LOA.

Students taking an unapproved LOA will be considered withdrawn at the start of the unapproved LOA. The last date of attendance prior to the LOA will be utilized for the purposes of calculating a refund.

The maximum time frame for a LOA is 180 calendar days and the minimum is 5 calendar days. Montana Academy of Salons permits more than one LOA provided the total number of days of all LOA does not exceed 180 calendar days within a 12-month period. If the student does not return from the LOA within the 180 calendar days, the student will be dropped from Montana Academy of Salons. The student's loans will go into repayment after 180 days from the last date of attendance.

On the day the student returns from a LOA the student is required to inform the Financial Aid Office of the return and complete an enrollment agreement addendum or initial the correction on the contract. The student's contract and maximum time frame will be extended for the same number of days the student was on LOA without any penalty to the student.

GRADUATION REQUIREMENTS/DIPLOMA

Montana Academy will grant a diploma of graduation and Official Transcript of Hours for the applicable course when the student has successfully completed all phases of study, required tests, practical assignments; has a minimum 85% attendance and 85% GPA, passed a final comprehensive written and practical examination; completed the course of study according to State requirements; completed all exit paperwork; attended an exit interview and made satisfactory arrangements for payment of all debts owed to the school.

Please see the Montana Code Annotated, Chapter 1 General Provisions, Part 2 Licensure of Criminal Offenders, Part 3 Uniform Professional Licensing and Regulation Procedures (Unprofessional Conduct) for reasons why an individual may not be permitted to be licensed as a Barbering, Cosmetologist, Esthetician, Manicurist, or Facilitator and therefore gainful employment in their chosen profession.

Additionally, please review the Montana State Board of Massage Therapy; Department and Board Statutes as it applies to "Non-routine Applicants" for reasons that may preclude an individual from being a gainfully employed licensed massage therapist.

REFUND POLICY

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure. Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

1. An applicant is not accepted by the school. The applicant shall be entitled to a refund of all monies paid.
2. A student (or legal guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the school shall be refunded, regardless of whether or not the student has actually started classes.
3. A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases, he/she shall be entitled to a refund of all monies paid to the school less the registration fee in the amount of \$200.
4. A student notifies the institution of his/her withdrawal in writing.
5. A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
6. A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 calendar days.)

7. In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.
8. For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours.

PERCENT OF SCHEDULED TIME ENROLLED TO TOTAL COURSE/PROGRAM	TOTAL TUITION SCHOOL SHALL RECEIVE/RETAIN
0.01% to 04.9%	20%
5% to 09.9%	30%
10% to 14.9%	40%
15% to 24.9%	45%
25% to 49.9%	70%
50% and over	100%

- All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. If the course is cancelled after students have enrolled and instruction has begun, the school shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR provide completion of the course OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.
- Students who withdraw or terminate prior to course completion are charged a cancellation or administrative fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in this catalog and in the student's enrollment agreement.
- If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of Title IV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program. Veterans Only. The Amount charged to the Student for tuition, fees and other charges when only a portion of a course is completed shall not exceed the approximate pro rate portion of the total charges for tuition, fees and other charges that the length of the

completed portion of the course bears to its total length. Refunds will be made within 30 days after the last class attended, or the effective date of the withdrawal or termination. This policy is in compliance with the requirements of Title 38 CFR 21.4255.

DETERMINATION DATE/WITHDRAWAL DATE (OFFICIAL/UNOFFICIAL WITHDRAWAL):

The last date of attendance is the last day the student was physically in attendance at Montana Academy. A withdrawal determination date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify Montana Academy's administrative office of their intention to withdraw from Montana Academy. An active student is considered unofficially withdrawn when they have been absent for 14 calendar days from their last date of physical attendance without notifying Montana Academy's administrative office.

RETURN OF TITLE IV FUNDS

The law specifies how the Academy must determine the amount of Title IV program assistance that you earn if you withdraw from Montana Academy. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct loan funds that you would have received had you remained enrolled past the 30th day. If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser

of: your institutional charges multiplied by the unearned percentage of your funds, or the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds. If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

RETURN OF TITLE IV FUNDS BY MONTANA ACADEMY

Montana Academy must return the unearned aid for which Montana Academy is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

TITLE IV PROGRAMS

1. Unsubsidized /Direct Stafford Loan
2. Subsidized /Direct Stafford Loan
3. Parent PlusPell Grant

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at <http://www.studentaid.ed.gov>.

By applying for a Direct Loan, a borrower authorizes Montana Academy to pay directly to the Secretary that portion of a refund or return to title IV, HEA program funds from the school that is allocable to the loan.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY

The family educational rights and privacy act (FERPA) afford eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Montana Academy receives a request for access. A student should submit to the FAO, a written request that identifies the record(s) the student wishes to inspect. The FAO will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask Montana Academy to amend a record should write the FAO responsibly for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If Montana Academy decides not to amend the record as requested, Montana Academy will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Montana Academy discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Montana Academy discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. An academy official is a person employed by Montana Academy in an administrative, supervisory, academic, research, or support staff position, such as a disciplinary or grievance committee. An academy official also may include a volunteer or contractor outside of Montana Academy who performs an institutional service of function for which Montana Academy would otherwise use its own employees and who is under the direct control of Montana Academy with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Montana Academy.

Upon request, Montana Academy also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Montana Academy to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office | U.S. Department of Education | 400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student

- To other school officials, including teachers, within Montana Academy whom Montana Academy has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom Montana Academy has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising Montana Academy's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.

- To organizations conducting studies for, or on behalf of, Montana Academy, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.
- To accrediting organizations to carry out their accrediting functions.
- To parents of an eligible student if the student is a dependent for IRS tax purposes.
- To comply with a judicial order or lawfully issued subpoena.
- To appropriate officials in connection with a health or safety emergency, subject to §99.36.
- Information Montana Academy has designated as “directory information” under §99.37.
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding.
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if Montana Academy determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of Montana Academy’s rules or policies with respect to the allegation made against him or her.
- To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of Montana Academy, governing the use or possession of alcohol or a controlled substance if Montana Academy determines the student committed a disciplinary violation and the student is under the age of 21.

SECTION 504/AMERICANS WITH DISABILITIES ACT POLICY

The Montana Academy of Salons does not discriminate in admission or access to our programs on the basis of age, race, color, sex, disability, religion, sexual orientation, gender identity, financial status, veteran status or national origin.

If you would like to request academic adjustment or auxiliary aids, please contact the Academy’s Section 504 Compliance Coordinator, Ms. Linda McPherson. The Academy will work with the applicant or student to provide necessary academic adjustments and auxiliary aids and services unless a particular adjustment would alter or waive essential academic requirements; fundamentally alter the nature of a service, program or activity; or result in undue financial or administrative burdens considering the Academy’s resources as a whole.

Any qualified individual with a disability requesting an accommodation or auxiliary aid or service should follow this procedure:

1) Notify Mrs. McPherson, the Academy’s Section 504 Compliance Coordinator, of the type of accommodation needed, date needed, documentation of the nature and extent of the disability, and of the need for the accommodation or auxiliary aid. 2) Mrs. McPherson will schedule a time to meet with you after receiving your request for accommodation. The purpose of this meeting is to help ensure that the Academy is obtaining adequate information and understanding of your individual needs.

3) Mrs. McPherson will review the request and provide you with a written determination as soon as practically possible but in no event more than two weeks after receiving the request.

4) If you would like to request reconsideration of the decision regarding your request, please contact the Chief Financial Officer of the Montana Academy of Salons within 15 days of the date of the response. Please provide a statement of why and how you think the response should be modified. DISCRIMINATION GRIEVANCE PROCEDURE

The Montana Academy of Salons has adopted the following Grievance Procedure for addressing complaints of discrimination under Section 504 of the Rehabilitation Act of 1973. A person is not required to use this procedure and may instead file a complaint directly with the U.S. Department of Education's Office for Civil Rights, 915 Second Avenue, Room 3310, Seattle, WA 98174-1099, Telephone: (206) 607-1600.

Step 1: A person who believes that he/she has been discriminated against by the Academy is encouraged, but is not required, to discuss the matter informally with the Section 504 Coordinator, Mrs. Linda McPherson, 501 2nd St. S, Great Falls, MT 59405, phone 406.771.8772 x3, email: linda@mymtacademy.com. If the 504 Coordinator is the subject of the complaint, the grievant may, instead, contact the Academy's Chief Financial Officer, who will appoint another administrator to discuss the matter. The person receiving the complaint shall verbally convey his/her findings to both the person who alleged the violation and the person who is the subject of the complaint within 10 business days.

Step 2: If the informal Step 1 process does not resolve the matter, or if the grievant does not wish to use the informal procedures set forth in Step 1, a written complaint may be submitted to the Academy's Section 504 Coordinator who will investigate the complaint. [NOTE: if the Section 504 Coordinator is the subject of the complaint, the complaint should be submitted to the Academy's Chief Financial Officer who will appoint another administrator to conduct the investigation]. The complaint shall be signed by the grievant and include 1) the grievant's name and contact information; 2) the facts of the incident or action complained about; 3) the date of the incident or action giving rise to the complaint; 4) the type of discrimination alleged to have occurred; and 5) the specific relief sought. Names of witnesses and other evidence as deemed appropriate by the grievant may also be submitted. An investigation of the complaint will be conducted within 10 business days following the submission of the written complaint. The investigation shall include an interview of the parties and witnesses, a review of the relevant evidence, and any other steps necessary to ensure a prompt and thorough investigation of the complaint. A written disposition of the complaint shall be issued within 10 business days of completion of the investigation, unless a specific written extension of time is provided to the parties. Copies of the disposition will be given to both the grievant and the person who is the subject of the complaint. If discrimination or harassment was found to have occurred, the disposition will include the steps that the Academy will take to prevent recurrence of any discrimination or harassment and to correct its discriminatory effects on the grievant and others, if appropriate.

Step 3: If the grievant wishes to appeal the decision in Step 2 above, he/she may submit a signed, written appeal to the Academy's Chief Financial Officer within 10 business days after receipt of the written disposition. The Chief Financial Officer or his designee shall respond to the complaint, in writing, within 10 business days of the date of the appeal. Copies of the response shall be provided to both the grievant and the person who is the subject of the complaint.

The Academy hereby provides assurance that it strictly prohibits any form of retaliation against persons who utilize this Grievance Procedure. If you have questions regarding these procedures or desire to file a complaint, please contact the Academy's Section 504 Coordinator: Mrs. Linda McPherson, 501 2nd St. S, Great Falls, MT 59405, phone 406.771.8772 x3, email: linda@mymtacademy.com.

Most salon industry professionals may be on their feet for long periods of time. There are physical demands placed upon the body during both class and as an employee in the industry, including but not limited to, standing for long periods of time, bending over, lengthy time allowances for services, lifting heavy objects, dexterity, exposure to heat and chemicals, possible cuts resulting from a haircutting service, and prolonged exposure to some chemicals may cause irritation so protective clothing, facemasks, and gloves should be worn.

Daily attendance is recorded by a facilitator and is the responsibility of all students to attend their full contracted schedule and to complete all curriculums, project sheets and all state mandated training. In order to continue your enrollment at Montana Academy, you must abide by the attendance policy that corresponds with the course in which you are enrolled.

Students who go over their contracted graduation date and need additional time to complete their course will be charged an hourly fee until the student graduates from the course.

Students must attend at least 85% of their schedules hours in order to meet the maximum time frame.

Student may not exceed the maximum time frame allowed to complete the course in accordance with the Student Satisfactory Academic Progress Policy. If the student exceeds the maximum completion time frames permitted for attendance or does not reach 85% grades within the maximum time frame, the student will not be allowed to graduate.

4. Failure to call in to report an absence in the required time frame. (30 minutes before shift start)

Exceeding the allowed break time from classroom or student clinic area.

The first and second tardy within a month time frame will result in a consultation with a facilitator, in regards to the students' commitment to the course.

The third tardy within a month time frame will result in one day In-School Suspension, chosen by a facilitator.

Continued tardiness resulting in four or more days in a month time frame will be grounds for dismissal from the course.

If you arrive after your scheduled shift, report to a staff member before entering the classroom or the student clinic area.

Failure to call in an absence (no call, no show) will result in a one day, “In-School Suspension”, chosen by a facilitator.

ABSENCES

Montana Academy strongly recommends that no student be absent while attending foundations in any course. It becomes a hardship for the student and Montana Academy to makeup theory and practical instruction. Course lesson plans are taught on a rotating schedule and are not repeated until weeks later. An absence is when the student was not in attendance during their scheduled shift.

RTO is requesting time off in advance (7 – 10 day prior to the RTO) for the upcoming absence. The RTO will be considered if the student is currently making SAP in grades and attendance.

Exceptions of an RTO would be:

- If you are involved with law enforcement. (To be excused you must provide a copy of the police report)
- If a student is unable to attend due to inclement weather, an excused absence will be considered
- Illness of self or family member
- Submitting an RTO one day prior to the funeral.

MAKE UP POLICY

The “make up policy” affords student the opportunity to make up assignments and tests that they have missed. Students who missed a test due to an absence must make up the test on the first day returning back to Montana Academy, in order to receive credit for the test. The student is responsible to make arrangements with the facilitator to schedule a time to make up the test. Missed tests will be posted as a ZERO until the time that they are made up. Missed and failed tests will adversely affect the student’s Grade Point Average (GPA) and Satisfactory Academic Progress (SAP).

Students are made aware at the time of their contract signing that over contract fees will be charged for hours exceeding their calculated completion date. Students are provided with “SmartFlex”, a student portal, which allows students the ability to monitor their hourly attendance. Students have a monthly, “one on one” evaluation with a team facilitator throughout their training and are made aware of their hourly attendance.

Students may come in during their unscheduled day of the week to make up missed hours. Montana Academy strongly recommends students making up missed hours as to prevent over contract fees.

A student must get permission from a facilitator to make up hours because all students must be supervised at all times. Facilitators will work with a student to make a plan of action that the student can commit to. Students will not be allowed to self-study without the supervision of a facilitator. A student may watch an instructional video with the supervision of a facilitator. This is not used as a replacement for class. The student/facilitator ratio will be upheld according to Montana State Laws. Opportunities to gain or make up hours are as follows:

- **Student Clinic Area:** If a station is available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- **Manicure or Pedicure Clinic Area:** If a table or pedicure station is available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- **Esthetic or Massage Clinic Area:** If a treatment table is available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- **Front Desk Clinic Area:** If a front desk position is available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- **Dispensary and Laundry Clinic Area:** If there are no stations, tables and rooms available to service guests and Montana Academy does not exceed the facilitator to student ratio.
- **Classroom:** Must be approved by the lead facilitator and the facilitator teaching the class.

MANDATORY FRIDAY AND SATURDAY

Friday and Saturday attendance is mandatory. All students must attend the full day on Friday or Saturday unless the student gained prior approval for the absence or extenuating circumstances prevented the student from attending. All students must provide proper documentation for the reason for the absence. Examples of excused Friday or Saturday absences would be: medical, funeral or a car accident. If student does not provide proper documentation, the student will receive an automatic suspension day.

IN-SCHOOL SUSPENSION (ISS)

All other absences are not considered RTO and may result with In-School Suspension. If an In-School Suspension day is assigned, the suspension will be served at Montana Academy. The student will not practice on guests. The student will be assigned to a designated class room where they will work on specific projects and duties that will be assigned by the facilitators. Additionally, during In-School Suspension students should be aware that they will not be permitted to have access to cell phones, music, televisions, or other students, and will be required to stand at all times while working on project sheets. Student have lunch and breaks with the study body. Any violations to this policy will result in additional In-School Suspension days being assigned.

INTERNAL GRIEVANCE (COMPLAINT) PROCEDURE POLICY

Montana Academy of Salons maintains an “open door” policy allowing students or other interested parties the opportunity to discuss any issue’s necessary. Most of these issues can be resolved at Montana Academy level. Montana Academy will receive and process complaints that state facts that reasonably suggest that Montana Academy may not be in compliance with the Federal, State, or NACCAS standards and criteria. Montana Academy makes available to all prospective and enrolled students an Internal Grievance Procedure Policy with which Montana Academy is required to comply with for students should they have the desire to register a complaint at any time.

Montana Academy will make every attempt to resolve any student complaint. Complaint procedures will also be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 5 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the CEO of School.
3. The complaint will be reviewed by administration and a response will be sent in writing to the student within 10 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, administration will appoint a hearing committee consisting of one member selected by Montana Academy who has had no involvement in the dispute and who

may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 30 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by Montana Academy's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. Montana Academy administration shall consider the report and either accept, reject, or modify the recommendations of the committee. Director of School shall consider the report and either accept, reject, or modify the recommendations of the committee.

7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.

PERSONAL SERVICES

Students will be awarded with a \$40 service credit for each month they maintain an 85% grade average and an 85% attendance average, have no tardies, and have had no no-call/no-shows in the previous month.

Example: September = no tardies, no no-call/no-shows, 85% GPA, 85% attendance - \$40 given to be used in the month of October.

Personal service may not be performed or scheduled on Friday or Saturday. The facilitators will schedule your service. Your student service provider will fill out a service ticket, have it signed and services checked by a facilitator. You are the guest while receiving the services; therefore, your student service provider will receive grades throughout the process. If the services exceed the \$40 credit, you are responsible for the remaining balance. Service credits are not transferrable from month to month, to another student or to other persons.

Additional services can be performed anytime that students are not scheduled. Services are discounted to 50% for all current students. Service credits become null and void if you take a leave of absence, drop from the course, or graduate.
